

hp scanjet 2400

## hp scanjet 2400 digital flatbed scanner

**A slim, attractive and affordable scanner that will get you started in no time at all. One-touch buttons provide automatic scanning and colour copying, while 1200 dpi optical resolution and 48-bit colour mean great results from day one.**

**Designed for home users who want a simple, easy-to-use scanner, one that provides a step-by-step approach to achieving results in minutes but also delivers superb quality scans.**

### **One-touch scanning and colour copying for great results first time.**

- Complete projects quickly and easily.
- Automatic scanning and copying at the touch of a button – no complex tools to learn.
- All the reliability you'd expect from HP.
- Technology that works with you to simplify key tasks – achieve everything you want from day one.
- HP Photo & Imaging software included.

### **Photo quality scans with 1200 dpi optical resolution and 48-bit colour.**

- Superb scans and copies from photos, graphics, drawings or documents.
- Capture images in rich, bright, true-to-life colour or crisp, sharp black.
- Scan 3D objects such as framed pictures and memorabilia with CCD technology.
- Scan and convert text into editable documents with Optical Character Recognition (OCR).

### **Simple set-up and operation via USB – compatible with USB 2.0 specifications**

- Fast connection – installs in seconds so you get started straightaway.
- Easy-to-follow instructions – no technical knowledge necessary.
- Everything designed for maximum ease-of-use.
- Compatible with PC and Macintosh.
- USB – compatible with USB 2.0 specifications.

hp scanjet 2400 digital flatbed scanner
